

# FACT SHEET

## VIZIONX Business

VIZIONX Business is our professional consulting Division directed at a range of specialised resilience, risk and assurance services. Our focus is private and public sector organisations including the Sports industry and Media and Broadcasting Sector.

### How we can help:

We deliver a range of business management solutions to help your organisation to develop its capabilities in business resilience, risk, compliance, safety and assurance. We are experienced advisors with innovative and proven solutions to tackle changes to your operating environment and the regulatory challenges confronting your business. We look to apply risk strategy, frameworks and systems that are tailored to every client.

### Our commitment:

Giving our customers everything they were hoping for and more; and always exceeding your expectations. This is exactly how we want to do business by "*Setting new standards and making a difference*".

### Our purpose:

We assist organisations to become more adaptive, resilient, competitive, compliant, profitable and safe.

### Where we add value:

We bring value to your business by developing the following capabilities:

- a) Anticipate and prepare for disruptive events
- b) Protect and keep safe from potential adverse events
- c) Respond, mobilise and act against disruptive events
- d) Maintain continuity of operations and services
- e) Learn and improve beyond adversity and disruption

### Where we excel:

Our specialist services include:

- a) Business Resilience Capability
- b) Strategic Risk Advisory
- c) Operational Risk & Safety Systems
- d) Corporate Crisis Management
- e) Internal Security & Audit
- f) Exercises, Workshops & Training
- g) Business Continuity Management
- h) Emergency Coordination
- i) Regulatory Compliance
